cosmoderma

MICRODERMABRASION

Microdermabrasion is a cosmetic beauty treatment, involving a controlled peeling of epidermis.

FACE

UNIQUE FORMULA

The complexion gains a healthy colouring and fresh, youthful appearance.

Microdermabrasion Cosmoderma contains crystals of corundum used by dermatologists during professional microdermabrasion treatments in beauty salons.

FRESH, YOUTH APERANCE

Improves vascularisation of skin, which contributes to a significant reduction of cellulite. This process allows to uncover the lighter and healthier skin. The body becomes smoother and softer, gaining a healthy colouring and a fresh, youthful appearance.

BODY

for MEN

HOW IT WORKS?

With the gradual removal of the upper surface layers, in its deeper parts the intensive formation of new, healthy and nutritious cells and collagen fibres takes place. This process allows to uncover the lighter and healthier skin.

BODY SCRUB

COFFEE

Luxury coffee peeling for body contains a unique composition of only natural ingredients, ensuring the highest level of care for a woman's skin.

SALT

Luxurious salt peeling for the body contains a unique composition of only natural ingredients, providing the highest level of care for a woman's skin.
